Phone: 1-631-476-9698

Day Haven, a social model adult day services program, provides daytime care for frail older adults and individuals with Alzheimer's or related dementia. Experts agree: adult day services are vital to supporting quality of life and maintaining elders in their homes for as long as possible. Day Haven's services are designed to do this by offering a structured program of recreational activities, socialization, assistance with activities of daily living, nutritious meals and meaningful days.
